

## FAVERSHAM GOLF CLUB DRESS POLICY

*Faversham Golf Club is a traditional members' club and has a dress code. This, in many ways, is common sense however please ensure that the dress code is followed at all times to avoid any embarrassment.*

The basic principles to our dress-code standards are; traditional golfing attire is worn on the course at all times, and the minimum standard of dress worn in the Clubhouse is what would be referred to as “smart-casual”.

It is the responsibility of all members both to comply with the clubs dress policy and to ensure that other members, guests and visitors do so as well.

### On the Course, practice area and putting greens:

- (i) All golfers must wear appropriate golf attire (the most appropriate is that which has been designed for golf). **Jeans, shirts hanging outside trousers, shorts above  $\frac{3}{4}$  mid-thigh or more than just below the knee, beach-wear or other sports-wear are NOT acceptable.** Shirts **must** be tucked into the waistband at all times. Ladies may wear cropped-style golf trousers.
- (ii) Hats and visors are permitted but are not to be worn backwards.
- (iii) Golf shoes must be worn; other types of footwear will not be permitted. Metal spikes are acceptable, but it is strongly suggested that metal or at least new plastic spikes be used when the ground is soft and especially in the winter.
- (iv) Socks are to be worn.

### When in the Clubhouse:

- (i) Normal golf dress is acceptable, as is clean casual wear – such as open-neck shirts, sweaters and cardigans – in all areas of the clubhouse. Shirts **must** be tucked into the waistband at all times. Ladies may wear shoulder-less tops/dresses but are asked to dress appropriately and in keeping with the intent of the dress code.
- (ii) **Denim is NOT permitted; shirts worn outside trousers, shorts above  $\frac{3}{4}$  mid-thigh or more than just below the knee, beach-wear or other sportswear are NOT acceptable.**
- (iii) Shorts, open toe shoes/sandals are NOT permitted in the Restaurant after 6pm, however ladies may wear open-toe foot wear if appropriate to their style of dress.
- (iv) No golf shoes to be worn beyond the Locker Room and Pro Shop areas. **Trainers and ‘flip flops’ are NOT permitted**, but sandals are.
- (v) Wet or soiled clothing must not be worn or brought into the Clubhouse beyond the entrance and lockers rooms.
- (vi) Hats are not to be worn in the clubhouse. Ladies may wear dress hats when appropriate, ie: for weddings or such formal occasions.

(vii) At certain times, alternative dress levels will be adopted, such as for functions, AGM, prize-giving / presentations etc. Members will be advised when this is the case.

### Additionally:

- (i) Changing shoes and clothing in the car parks is strictly forbidden; please use the excellent changing facilities on site.
- (ii) Mobile phones are NOT to be used on the course (except in an emergency), in or around the Clubhouse.
- (iii) The club's staff have been instructed not to serve members and visitors who do not observe the dress code.
