

DL Utilities Annual Golf Charity Day 2022

Well, where do I start it's that time of year again gentleman for DL Utilities charity golf day to be held at Canterbury golf club on the 2nd of September. I would like to take this opportunity to send my appreciation and thanks to Westgate golf club for holding the charity event for the last two years and thank all the staff for their help it was much appreciated.

To those of you who have been with me for the past ten years, I would like to take this opportunity to thank you all and everyone who has taken part, my heart goes out to you all thank you. I don't know how you all have been this year, but I have really struggled in business and in life I have been fortunate to have a lovely caring family and good friends behind me, so I have managed to pull through these hard times so thank you all.

The charity this year is for Dementia UK, this is one that's close to my heart as my Nan suffered with this disease as do many people, I would like to think that all of us have known someone with dementia or Alzheimer's it is a horrible disease.

I am having to put the price up this year as Canterbury have put an increase on the golf and food, so I will understand if you do not want to participate thanks for all your support .I will be asking non members for £70.00 and members for £45.00 please let me know if you would like a team, I will be asking for bank transfers from each team captain please, so if you are taking part I would like you to claim the money off your other team members and then transfer cash into this account please. Account details will follow shortly I would appreciate a quick transfer as I need to start purchasing for the prizes for the raffle, auction and trophies etc.

I would also be very grateful if anyone would like to sponsor a hole or donate a prize for the auction or raffle.

To my usual sponsors if you wish to sponsor a hole this year, please get in touch ASAP Bigger the sponsor better the hole. It's all for a wonderful cause and will be much appreciated the charity number is 1039404 if anyone would like a copy of the letter please get in touch it's a well-known fact that every three minutes in the UK someone is diagnosed with DEMENTIA so all your help will be gratefully received.

Many thanks
Richard Leitch.
