We definitely need better on the day organisation and communication from the Skipper. One voice and not giving into grumblings of others is the preferred option.

Keep it simple

Have to have lots of buggies available.....

If the third day is a Texas scramble you should give players the option of one night and two rounds of proper golf

For scramble explain rules, ie order of play, yellow ball first etc Back to structured fines for lost ball, bunkers etc, not just random stuff. For scramble teams mix up handicaps

Hurry up Nigel 😂😂 love you
